COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)

These two documents, Clandestine Services Historical Paper No. 91,<sup>25X</sup> "Cold War Materiel Stockpile," and No.  are returned for your retention.

These are the only copies of these papers available. Clandestine Services Historical Board has recently adopted a new policy wherein only two copies of each paper are being officially bound, both of which will be retained under Clandestine Services control. In the future therefore, we will not be able to secure copies of their newer documents except on a loan basis.
